O little town of Bethlehem how still we see thee lie

Yet in thy dark streets shineth the everlasting light

The hopes and fears of all the years are met in thee tonight

For Christ is born of Mary and gathered all above

While mortals sleep the angels keep their watch of wondering love

Dm Bb F C F Bb C

O morning stars together proclaim the holy birth

And praises sing to God the King and peace to men on earth

How silently, how silently the wondrous gift is given

So God imparts to human hearts the blessings of his heaven

Dm Bb F C F Bb C

No ear may hear his coming, but in the world of sin

Where meek souls will receive him still, the dear Christ enters in
